SEIFT 2019 Student Poster Competition

Get Professional

South East IFT Section will resume its student poster competition during the Spring Meeting at Clemson University. This competition will feature IFT students who have developed and conducted original, ethical and compelling research in food science. Student competitors will come from the following Universities:

- Alabama A&M
- Auburn
- Clemson
- Tuskegee
- University of Georgia

April 11, 2019
Clemson University

Submit Your Research

If you are a current IFT student member and enrolled in any one of these Universities, and would like to participate in this competition

Submit your abstract to:
abovellbenjamin@tuskegee.edu

When: **March 18, 2019**

Read the attached file for full details about how to submit abstract and get the competition rules and guidelines.

Hosted by South East IFT
